WHAT  WHO  WHY  HOW
What is the Start-up BW Summit?

Start-up BW is the official start-up campaign of Baden-Württemberg and represents a high-performance network of partners from a variety of regional and institutional backgrounds.

With Start-up BW, Baden-Württemberg is taking start-up financing and professional support to a level of international excellence.

The Start-up BW Summit is an international showcase, event and network meeting for the campaign, for the scene, for start-ups, start-up stakeholders, start-up ecosystems and investors and corporates.

Baden-Württemberg is the Place 4B2B. At the Start-up BW Summit start-ups meet start-ups, corporates and SMEs, VCs and business angels, who are looking for the ideas of the future and offer themselves as customers, partners and mentors with venture capital offers and accelerator programs.

Network partners from consulting, promotion and technology transfer, private and public start-up stakeholders and start-up ecosystems present their ideas, exchange views, network and learn from each other internationally, on every level.
